Each word here uses only sounds your child knows: short vowels and the digraphs **th**, **ng**. Sound it out slowly — **b-a-t**, **f-a-ng** — then blend.

4 Hunt & colour the haunted house!

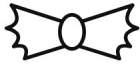

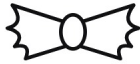

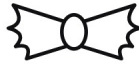

-  Colour everything that starts with /b/ **ORANGE**
-  Colour everything that starts with /w/ **PURPLE**
-  Colour the **short-a** words (like c a t) **GREEN**

Grown-up: some things are tricks — the owl, spider & pumpkin don't match any colour rule. Leave them white!

5 Roll the die. Say the word. Cross out one picture in that row.

 You'll need one die and a pencil. First row all crossed out wins!

	 wig	☐			
	 moth	☐			
	 fang	☐			
	 moon	☐			

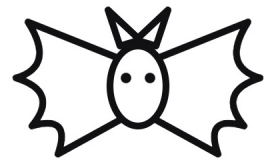

Stretch it: say each sound in the word as you cross out — **b-a-t**, **f-a-ng**. Write the first letter in the box, then cross one out.
