

**/eye/** as in **light***In the middle or end of a word.***1** Circle the words with igh.

cat

right

big

high

light

bright

top

night

red

might

sigh

sun

2 Read each word. Say the eye sound clearly.

light

night

right

high

bright

3 Trace the igh. Say /eye/ as you write.*igh**igh**igh**igh**igh**igh**igh**igh***FOR THE GROWN-UP**

Three letters making one long /i/ sound. The “gh” used to be pronounced centuries ago — like the German Bach — but went silent. The spelling stayed.
