

/r/ as in rabbit

Pretend to drive a race car: *r, r, r!*

1 Read each word. Say the /r/ sound clearly.

rat

red

run

rug

rip

2 Circle the words with r. 

rain

big

cat

top

sun

pig

rip

red

rock

run

rat

rug

3 Trace the r and the R. Say /r/ as you write.

r

r

r

r

r

R

R

FOR THE GROWN-UP

The /r/ sound is one of the last sounds children master in speech — many 5- and 6-year-olds still say /w/ instead of /r/ (wabbit). That's normal development and not a phonics problem.
