Sunny Sounds

Say each picture. Write the first letter you hear on the line.

1 Colour the picture. Say its name. Write the first sound.

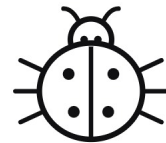

PICTURE KEY — FOR THE GROWN-UP

1. sun (s)

2. hat (h)

3. fish (f)

4. shell (sh)

5. crab (c)

6. bug (b)

2 Read each word. Draw a line to its picture.

sun

hat

fish

shell

bug

beach

3 Write the missing letter.

s _ n

f _ sh

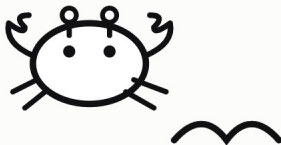

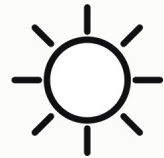

sh _ ll

Every word here is decodable: short vowels, the **sh** in fish and shell, and **ea** in beach. Blend it slowly — f-i-sh, sh-e-ll — then say it fast.

4 Hunt & colour the beach day!

-  Colour everything that starts with /sh/ **BLUE**
-  Colour the **short-a** words (like h a t) **GREEN**
-  Colour the **ea** words (like b ea ch) **ORANGE**

Grown-up: the sun, umbrella, ice cream & seagull are tricks — the sun starts with /s/, not /sh/. Leave the tricks white!

5 Roll the die. Say the word. Cross out one picture in that row.

You'll need one die and a pencil. First row all crossed out wins!

sun

hat

fish

shell

bug

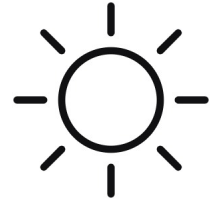

beach

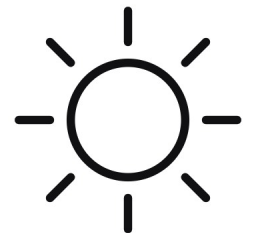

Stretch it: say each sound in the word as you cross out — **f-i-sh**, **b-u-g**. Write the first letter in the box, then cross one out.

I see the sun.
