

Harvest Sounds

Say each picture. Write the first letter you hear on the line.

1 Colour the picture. Say its name. Write the first sound.

PICTURE KEY — FOR THE GROWN-UP

1. jam (j)

2. corn (c)

3. hat (h)

4. nut (n)

5. dish (d)

6. leaf (l)

2 Read each word. Draw a line to its picture.

jam

hat

nut

corn

dish

feast

3 Write the missing letter.

j _ m

h _ t

n _ t

Every word is decodable: short vowels, **or** in corn, **sh** in dish, **ea** in feast. Blend slowly — j-a-m, n-u-t — then say it fast.

4 Hunt & colour the dinner table!

-  Colour everything that starts with /h/ **RED**
-  Colour the **or** words (like c **or** n) **BLUE**
-  Colour the **short-a** words (like j **a** m) **YELLOW**

Grown-up: the turkey, pie, nut & dish are tricks — they don't match a colour rule. Leave them white!

5 Roll the die. Say the word. Cross out one picture in that row.

 You'll need one die and a pencil. First row all crossed out wins!

jam

hat

nut

corn

dish

feast

Stretch it: say each sound in the word as you cross out — **j-a-m, n-u-t**. Write the first letter in the box, then cross one out.
